

# Valor

This quilt is one of 10 patterns from the Cozy Quilt Designs book, **The Giving Quilt**.

**The Giving Quilt** is a touching book with fast and wonderful quilt patterns designed by everyday quilters intent on making something special for someone in need.

When we give quilts, we give the very best of ourselves. In the spirit of the book, Cozy Quilt Designs is giving this pattern to the Quilts of Valor Foundation with the hope to inspire others to quilt something special for those injured while protecting our freedom.

More about **The Giving Quilt** from the Editors:

We put this book together with patterns for 10 lap-sized, quick to make, quick to give quilts. How often have we been moved to hurry and cover someone with a quilt filled with love and comfort? We wrote this for you!

We have included stories of giving and receiving that will touch your heart and send you back to the sewing machine. We hope that this book is as much a blessing to you as quilters as quilting has been to us!
